# CHAMPIONS AGAIN!

## LINCOLN

In the first game of the season, East quickly broke the spirit of the Abes when Don McQuerry and Frank Stermole scored two touchdowns in rapid succession. Lincoln came back strong, scored, but quickly weakened as Cockayne and Stermole chalked up another pair of touchdowns. Score at halftime was East 26, Lincoln 6. The second half showed East's power was no mistake as fourteen more points were added to East's total. It appeared that the Lee Townshippers had another bang-up team in the making when the game ended with a 40-6 victory for East.

## DOWLING

East defeated Dowling 15-0 September 26 at Drake stadium. East moved at will in the first half, with Ron Cockayne driving for the first touchdown and Dick Potter catching a pass for sixteen yards and the second. Dowling looked remarkably good in the second half as they rallied and threatened to score on three different occasions. Two fumbles and an intercepted pass ruined their chances, however, and the Irish remained scoreless. East picked up its final two points in the last quarter when Kerr of Dowling was tackled in his own end zone for a safety.

## EAST WATERLOO

Crashing through the Waterloo middle after recovering a fumble, Dick Potter started off the East conquest of Waterloo which resulted in a 21-7 victory for the Scarlets. Don McQuerry scored the first six points as he managed to break through into pay dirt. East found tough opposition throughout the game, but managed two more successful touchdown drives. East Waterloo spurted in the last quarter to score a magnificent touchdown and the game ended when time ran out with East on the East Waterloo six inch line.

COACH SAVAGE

## MASON CITY

East downed the Mason City Mohawks 27-12 Saturday, October 11. Cockayne started things off by intercepting a Mason City pass to set up the first touchdown. Don McQuerry went over for six points with less than one minute elapsed in the first quarter. The rest of the game was an even battle, with finishing touches put on by Cockayne who scored a last second touchdown.

## FORT DODGE

East lost its first game in 16 starts October 17. When Fort Dodge overpowered the Scarlets by a score of 28-12. The game, which was played on the Dodgers' field, was clearly Fort Dodge's from the beginning as their backfield consistently ripped through the normally strong East line for long gains. Much credit for the Dodger victory goes to Gary King, their outstanding quarterback.

## TECH

By way of recovering from its defeat at the hands of Fort Dodge, the Lee Townshippers hung a 34-7 drubbing on the Tech high eleven. The injury-ridden Tech team managed to stay within a touchdown in the first half but folded in the fourth quarter and allowed three East touchdowns. The Engineers' lone touchdown was scored by virtue of an East fumble of a punt on the East fourteen yard line.

## ROOSEVELT

In the Roosevelt-East clash, an exceptionally even, hard fought contest, East emerged as the 13-7 victor. The keyed up defenses of both teams allowed no points in the first half, but early in the third quarter the Scarlets marched the ball from mid-field to a touchdown. On the next series of downs, Roughrider Cleo Murphy broke loose and rambled 76 yards for six points. John Smith's conversion put Roosevelt ahead 7-6. With little time left, East intercepted a Roosevelt pass, and two plays later went over for the tally that decided the game.

## NORTH

East continued its dominance over city football by beating North in a game that won East two titles, the Big Six Championship and, for the fourth straight year, the City Series crown. Both teams' defenses were superb, with North's weakening long enough in the first half to allow Potter to go 47 yards in two plays for a touchdown. With time running out in the first half, East used an offensive weapon that is rarely seen in high school ball. Jim Clark kicked a 22 yard field goal in a stiff wind to give the Scarlets a 10-0 advantage at halftime. North came to life in the second half with a long march that netted them their touchdown for the evening. Final score: 10-6.

Well Hank if we grow big  
and fat maybe we  
can go play pro.  
football.

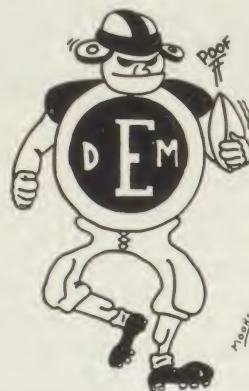

Mable Laughter  
of Betty.

#### SECOND TEAM

Row 1: Farris, Starcevic, Green, Olls, Oppenheim, Dickens; Row 2: Monk, Carlson, Budrevich, Cisno, Jessen, Paterson, Vaughn, Robinette, Nauman; Row 3: Kellogg, Galpin, Hartung, Johnson, Powell, Allyn, Wright; Row 4: Aldridge, Romans, Joelson, Shepard, Fathergill, Ross.

East has a very promising second football team this year having plenty of speed to make up for the lack of experience. Under Coach Gregory's guidance they are practicing the fundamentals which will help them to develop into varsity squad material. Although this squad shows up for a tedious practice every night after school, little limelight is thrown their way. It takes spirit and teamwork to make a team and they have both.

Left to right: Harry Frazier, Rollin Stevens, Larry Severeid, Dick Allen, Art Tillman, Kenneth Martinez, Stan Jones.

## Cross Country

East High's placings in cross country competition during the fall semester were good. In the five dual meets, the East team claimed three victories: in the city one mile race we placed second; city two mile, second; state one mile, third; and state two mile, fifth.

Back for next year's competition will be Harry Frazier, Dick Allen and Kenneth Martinez. Under Mike Augustine's capable direction we expect a good showing from these boys.

## Cage Monks

Full responsibility for our athletic equipment and uniforms is in the hands of our faithful cage monks under the direction of Gus Rump. These hardworking boys go to the gym immediately after school and keep in order the sports equipment during practice sessions. They also have charge of the equipment at sports events. Hats off to the diligent cage monks for their big part in helping our teams to win. They deserve much credit for their fine work.

Two monks pictured: Dick Allen, Rollin Stevens.

## Girls' Golf

Golf in the fall semester is limited to participation in the city meet, in which all high schools compete. This year the girls' team finished fourth, within a few strokes of the number one position.

Charlene Reynolds, Phyllis Yost, Charlene Loddon, Shirley O'Brien, Shirley Lans, Pat Ives.

Row 1: Larry Dowell, Duane Lewis, Bob Peterson, John Cappellin; Row 2: Ted Hanke, Bill Strait, Russell Morris.

## Boys' Golf

Third place in the city meet went to the boys from East Des Moines. Under the direction of Mr. Barnard, who also coaches girls' golf, the boys have been improving steadily, and hope for a good season in the spring.

Left to right: Carolyn Johnson, Elizabeth Raspotnik, Lois Swenson, Irene Harper, Ruth Daman.

## Girls' Tennis

Girls may receive valuable tennis instruction by playing G.A.A. tennis and also earn points toward their letter. They play girls from other Des Moines schools in the fall semester as well as in the spring. Competition was extremely good this fall and our girls didn't fare so well in the won-lost column, but they represented East High spirit very well in their games.

## Boys' Tennis

High school tennis in the fall semester is limited to participation in one city meet. The top six men on the team compete in this tournament, in which both doubles and singles games are played. This spring's outlook is rosy as there will be four returning lettermen. The only letterman lost by mid-term graduation is Leon Gortler.

Row 1: Leon Gortler, Jim Johnson, Wayne Prichard, Kirk Smith; Row 2: Bill Thalacker, Leslie Huth, Omer Schrock, Gary McGavran.

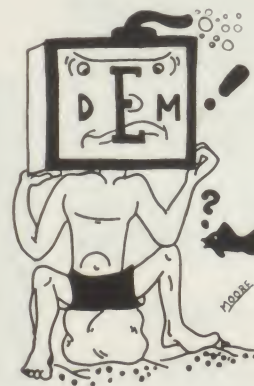

**Row 1:** Hodges, Gortler, McMillen, Jeglum; **Row 2:** Leonetti, Dowis, Wolfson, Barskey.

## Cheerleaders

The famed East High spirit is in the hands of the student body. To lead the students at athletic events, East High is fortunate to have a group of energetic fellows who yell their lungs out to carry on the traditional spirit that accompanies each sports contest. Regular cheerleaders for this year are: Leon Gortler, Leon Hodges, Ronnie Jeglum, and Lee McMillen.

**Row 1:** Hockersmith, Stigliano; **Row 2:** Stielow, Joelson, McPhee, Prall, Warren, Thrapp, Mills; **Row 3:** Hildreth, Huth, Clemenson, Cosner; **Row 4:** Mackrill, Bell, Smith.

## Swimming

Hats off to the hardworking fellows on the swimming team. A great handicap for "Scotty" Russell's boys is the undersized pool in the East gym. Nevertheless, the boys work out faithfully every night after school, and dream of the beautiful new full-sized pool in our forthcoming gymnasium.

*Jim

Row 1: Dick Welsh, Dick Marchant, George Mamo, Bob Downey, Joe Packey, Dave Williams; Row 2: Tom Keyes, Ron Carter, Rene Senecaut, Cletus Williams, Al Winfrey; Row 3: Kermit Fisher, Fred Sharp, Jim Newsome.

## Wrestling

The boys of the wrestling team are helped and prepared for their matches by the expertness of Mr. Gregory, their coach. Each year the wrestling team has made a fine showing to uphold the great victories for which East High is famous. In both winning and losing they are still the same in feeling that they did their best. A group of boys working together and helping each other makes a good team whether they win, lose, or tie.

**G. A. A.**

The Girls' Athletic Association has a well-rounded program of activities for the sports-minded girls of East High: tumbling, juggling, swimming, and basketball. Through each activity the girls not only earn points, but also develop useful skills. These points go toward the G.A.A. awards, the numeral and the letter. There is a possibility of earning two and three ring monograms during a girl's high school career.

Officers: Elizabeth Raspotnik, Irene Harper, Jean Heller

Row 1: Bill Snyder, Harold Kramme, Bill Moody, Bob Caffrey, Ron Cockayne, Dick Porter, Frank Bell; Row 2: Don Gonner, Jack Peterson, Bob Biddle, Tish Ballard, Charles Chastain, Jack Berry, Dick McGee.

## Basketball

With the season yet to be played, we of the Quill Staff can only speculate as to the results of this year's schedule. East High is known as playing one of the toughest schedules in the state. Our boys have always carried the name of East High proudly into each contest and have won their share of the games. We are confident that this same spirit and tradition will hold true and that East High's basketball team will end up on top of the heap again this year.

### Quill Ad Salesmen

Quill ad salesmen today; business men and women of tomorrow! Under the capable direction of Mr. Gabel, these young super-salespeople of the sales and merchandising classes "bring back the bacon" which aids in financing our fine semester publication. They always seem to be scurrying about — selecting prospects, making personal contacts, and preparing layouts for advertising sold. Even then their work is not complete for the final task of collecting accounts always requires a tactful approach, and a last minute rush before the termination of the semester.

The excellent experience gained by coming face to face with many of our businessmen is an invaluable asset, realized by the process of combining hard work, tact and perseverance.

Mr. Suburb kissed his wife a fond farewell as he was about to catch his morning bus. But, for the first time in five years, he missed it. Thinking to surprise his spouse, he tiptoed into the kitchen, and planted a tender kiss on the

back of her neck as she was washing the dishes.

"Good morning," she said, "I'll have two bottles of milk and a pint of cream."

When Beverly was a little girl, she was having her first ride in an elevator of a skyscraper building. As the car shot up 30 stories

at breath-taking speed she asked timidly:  
"Daddy, do the angels know we're coming?"

**MISTAKEN IDENTITY**

A man who was wanted by the police had been photographed in six positions, and the pictures had been sent out to the state police.

In a few days headquarters received this from a small-town chief: "I duly received the pictures of the six miscreants wanted. Five of them have been captured and we are on the trail of the sixth."

Ronald never would have thought of volunteering when the teacher wanted the word "weather" spelled but since the pointer was held directly under his nose he had no choice but to try.

"W-e-t-h-i-r," he spelled painfully.

The teacher's jaw tightened as he remarked, "That's just about the worst spell of weather we've had around here for several years."
